Can You Help?

Calling All Photographers

Many of you take great digital pictures at our church events throughout the year. Bob Kiefer would like to be able to include these in the slide shows he produces. He would welcome your making CD copies of your photographs and leave the disks in the church office. We particularly need photos from various adult ministries. Please leave a brief note telling what event you photographed. He will then return the disk to you, but please do not give him your original disk.

Dear Joshua Men's Group

On behalf of all of us at SCARC and our Lafayette Group Home on Pelletown Road, I would like to thank you for your generous contribution of time and energy to paint the outside of the Lafayette Group Home as one of your service projects for the year. Everyone at the home enjoyed your men coming over to paint and socialize with the gentlemen who live there. This volunteer project was a great encouragement to the group home and staff residents.

I am convinced that such volunteer projects as this is very God honoring and helps build the kingdom of God. I am sure that the testimony of the men was positive, and we certainly received a great blessing by having the Joshua Men volunteer as they did. Thank you for accomplishing this large and necessary task. I deeply appreciate the relationship that we have between our organization and the Lafayette Federated Church.

Sincerely,
Richard C. Lecher, Ph.D.
